

CHAPTER # 11

WINTERNEWSLETTER

A NOTE FROM OUR PRESIDENT

Another crazy Michigan weather year we had this year. Spring was wet and cold and now fall has turned into the same. We had snow flurries on Halloween! I was just able to get my beans off the 4th week of November and my corn is still sitting in the fields.

If you missed our state show hosted by the Farmers Antique Tractor & Engine Club in Adrian, you missed a great show. They went out of their way to make us all feel welcome. Thank you, Jim Opsal and the rest of your members. We had over 250 IH exhibits. I hope everyone that attended had as good of a time as I did.

Our fall meeting was held at the Ina Store in Tustin, Michigan. A big thanks to Merle Smallegan and the rest of the gang at the Ina Store for hosting us. Also, a thank you to Tom Anderson for setting up the catering. The food was great. We had presentations from Antique Farm Power Club in Fruitport, Kalamazoo Valley Tractor Club in Kalamazoo, and Western MI Old Engine Club in Scottville for the 2021 state show. The members voted to go to Scottville. We have never been there and I personally am looking forward to going.

The 28th Annual IHC National Winter Convention will be held in Winston- Salem, North Carolina February 13 – 15, 2020. Please consider making the trip to some warmer weather and supporting them. It sounds like it will be another great convention.

I am sure you have heard by now that Darrell Darst, editor of Harvester Highlights, passed away on September 21, 2019. Please keep his wife Kevin and his family in your prayers. Kevin was also a big part of helping Darrell with the magazine and she has decided to continue to do so with help from her daughter.

Remember, that elections will take place at our January meeting. Please consider running and become a board member. We need your support to continue to keep this club going strong.

Carleen and I want to wish each of you a Merry Christmas and Happy New Year.

Forever Red,
Randy
