

CHAPTER # 11

SUMMERNEWSLETTER

A NOTE FROM OUR PRESIDENT

As I write this it's 92 degrees and 80% humidity on July 6th. Plow day is past which was back in May. There was a good turnout and no mud, but dust. I must have had a good time as my Super H overworked the two bottom plow-it run the tires off (Refer to page 79 of Red Power Magazine). A big thank you to Adam Keith and K&K Kerns Family Farms for putting everything together and allowing us to use the land.

Red Power Round Up 2021 is also by us. It was hot, it was humid, it rained, but what a good time going and seeing all the IH family again. Thank you to Illinois Chapter 32 for a great reunion.

The 4th of July is past and summer is coming to an end quickly, but our State Show is coming up soon, in Scottville, MI August 5th-8th. I hope to see all of you there. Since we didn't have a show last year, let's try to make this twice as good. Let's make this a great show in a new setting for our club. Please come and support our show!

Our 4th quarter meeting will be at Taylor & Patty Pobuda's in Fulton, MI on September 11th. There will be a side trip for anyone interested down the street to see Don Peck & family's collection in the morning before the meeting – They have a lot to see.

SO again I hope to see you all soon. We ARE getting through this. There will not be a newsletter between the state show and the 4th quarter meeting.

Forever Red,

Randy
