

CHAPTER # 11

SUMMERNEWSLETTER

A NOTE FROM OUR PRESIDENT

Summer is almost over and it will soon be harvest time. We had a good plow day back in April. Thanks to the Anderson's for setting it up and a bit THANK YOU to the Booher family for allowing us to plow their ground.

Ohio Chapter 6 did a great job hosting Red Power Round Up. I saw a lot of members there. I was afraid attendance would be low due to fuel prices but that didn't seem to hurt attendance. Lots of nice displays and vendors.

The state show is coming up in just a few short weeks at The U.P. Steam and Gas Engine association at the U.P. State Fairgrounds in Escanaba. This is a really good show. I hope you can all make the trip through on the the greatest landscapes in the Upper Peninsula. We will also be having a hot dog roast at the state show on Friday night.

Hope to you you soon,

Forever Red,

Randy
